

Oshawa General Racing Pigeon Club

Young Bird Trailer Fundraising Auction

The Oshawa GRPC is having a young bird auction to raise money for the purchase of our new trailer. The birds purchased by members flying on the new Oshawa trailer are eligible for a young bird auction race. This race will take place from Rouyn-Noranda the last young bird race of the season. Any birds donated from out of area are eligible for 30% of the prize as we are doing a 70% handler and 30% breeder prize structure, 50% of all proceeds goes toward the trailer fund.

You may also come out and buy a young one or two to fly in your own combines if you do not wish to enter them in this race, or put them in your stock lofts. The choice is yours. The quality at this auction will be worthy of any stock loft.
